Professional Development Solutions

PM-Partners group provides you with access to Australia's broadest range of Project Management certification courses. All of our courses are delivered by highly experienced Project Managers ensuring you receive the most pragmatic and effective advice available. Our end-to-end professional development solutions support you throughout your Project Management career from career planning to certification and mentoring.

Training & Education Options:

Public Workshops

Each year we conduct over 100 public training courses in Sydney, Melbourne and Perth.

For the latest public dates visit our website **www.pm-partners.com.au** or phone our Customer Service Team on **1300 701 314**.

In-House Workshops

We have developed over 200 learning modules across 40+ courses which can be customised to your organisation's specific requirements.

Online Learning

We offer 35+ structure Project Management courses through our online training facility which provides remote and flexible learning opportunities for your team. With access to courses around the clock, participants can progress through at their convenience and at their own pace to gain additional skills, even while traveling.

Pre-Paid Training Credits

Ensure your dollars go further and invest in our Training Credits. They can be purchased for a value nominated by you and used as the need arises. You can also benefit from a 10% discount on our public training workshops at either of our training centres.

Endorsements

To ensure we offer you the best, unbiased solution of the highest quality, PM-Partners group maintain and provide all leading global certifications and accreditations:
