

MSP® represents proven good practice in successfully **delivering transformational change**.

MSP provides

An adaptable route map for programme management, based on **principles, governance themes** and a set of interrelated **processes** ('Transformational Flow')

Advice on how principles, themes and flow can be embedded, reviewed and applied, to **gain benefits from business change**

3 Core Concepts

MSP Principles

Derived from lessons learned. Common factors that need to be applied for successful transformational change

MSP Governance Themes

The control framework. Enables the right leadership, delivery team, organisational structures, controls to be established, giving the best chance of delivering outcomes and realising benefits

MSP Transformational Flow

The process of delivering a programme of change. Provides a path through the lifecycle of a programme from conception through delivery, transitioning of outcomes, realising the benefits and closing the programme

PROGRAMMES...

“ Deal with outcomes.

“ Are about managing change.

“ Provide an umbrella under which projects can be coordinated.

ALIGNS 3 CRITICAL ORG ELEMENTS

Corporate strategy

Delivery mechanisms for change

Business-as-usual environment

Why USE PROGRAMME MANAGEMENT

Adopting a programme management approach **provides a structured framework** that can help organisations avoid pitfalls such as:

Insufficient board-level support

Unrealistic expectations of organisational capability and ability to change

No real picture (blueprint)

Insufficient engagement of stakeholders

Weak leadership

Insufficient focus on benefits

Failure to change culture

Poorly defined/communicated vision

ARE YOU GETTING

the results you need?

It's not exactly a business secret that poorly-executed projects cost a great deal more than money (as if that's not bad enough). They can cost reputations. Careers. So why not face facts and get the help you need? PM-Partners is Australia's most highly-accredited project management specialist. So, to partner with PM-Partners is to put your project in safe hands. The safest. Which is probably why Australia's leading brands trust PM-Partners to run over \$1.7 billion of projects. Each and every year. Maybe you should too.
