

Introduction to Project Management

These and other key project success elements will be covered in more detail during our Project Management Fundamentals – an introduction to project management course.

Checklist

Are the key executive/management on board?

Is there a clear owner/sponsor for the project?

Are there agreed objectives for the project?

Is there a clear business case/justification for the project?

Has a risk assessment been conducted?

Has project success been clearly defined and agreed?

Are the right people involved on the project team, with agreed roles and responsibilities?

Is there a clear understanding of priorities?

Are reviews/lessons learned incorporated on an ongoing basis?

ARE YOU GETTING

the results you need?

It's not exactly a business secret that poorly-executed projects cost a great deal more than money (as if that's not bad enough). They can cost reputations. Careers. So why not face facts and get the help you need? PM-Partners is Australia's most highly-accredited project management specialist. So, to partner with PM-Partners is to put your project in safe hands. The safest. Which is probably why Australia's leading brands trust PM-Partners to run over \$1.7 billion of projects. Each and every year. Maybe you should too.

Visit our website, www.pm-partners.com.au or call us 1300 70 13 14 for further information.
