

AgileSHIFT®

Overview

Increasing customer demand and expectation, the rise of disruptive competitors shaking up established industries, legacy processes that no longer fit in today's environment, a company culture that fails to support rapid go-to-market. These factors are all driving change and most organisations today know they need to transform if they want to survive.

AgileSHIFT®, developed by global best practice providers AXELOS, helps prepare everyone across an organisation for transformational change. This offering provides staff with the knowledge and guidance to be able to understand, engage with, and influence change by embracing agile and lean ways of working.

Taking a holistic view of an organisation, this easily tailorable, lightweight framework helps organisations on their change journey and helps them thrive in an ever emerging disruptive and competitive marketplace.

Key Topics

Creating a culture of enterprise agility

What is changing, and why we all have to be part of it. The increasing role of technology. The power of disruptors. Enterprise agility.

Making the AgileSHIFT

How we can all start to think and work differently to enable change. Creating a culture of enterprise agility. The AgileSHIFT framework, principles and practices.

The AgileSHIFT Delivery Approach

What it means to be an agile team. AgileSHIFT roles. AgileSHIFT workflow: creating a vision, working through a complete iteration and reviewing work practices via a retrospective.

Objectives

By the end of the course, participants will be able to:

- » Explain why organisations need to create a culture of enterprise agility in response to a changing context
- » Start to think and work differently to enable change
- » Talk confidently about what it means to be agile
- » Use the easily tailorable lightweight AgileSHIFT framework to champion change within their organisation

Why learn with PM-Partners?

Because we turn your career goals into reality.

Poor project skills are consistently quoted as a key reason for project failure. To be successful in project delivery, it's critical to invest in yourself and the capabilities of your team. This means setting clear goals and making a commitment to continuous improvement.

Certification and training is a vital part of this journey. But you need to know which foot to put forward, and when, to ensure you're heading in the right direction. That's where our expert guidance and support comes in.

Tell us where you want to go

At PM-Partners we start every conversation with the question, 'Where are you trying to go?' We then apply our expertise to show you exactly 'how' to get there.

We believe that having the relevant skills and methodologies is critical to delivery success, and ultimately career success. Depending on your aims, our team of professional development consultants will work closely with you to create a development pathway, or team training program, that aligns with your goals.

Helping to develop professional capabilities for 25 years

Our accredited programs provide certification and development across a range of globally recognised project management and delivery streams.

Each year, our expert facilitators train and certify more than 12,000 people throughout Australia, New Zealand and South-East Asia to best practice standards. All highly qualified practitioners in their field, they draw from real-life scenarios and their own experience to add real value for individuals, teams and organisations.

Our promise to you

PM-Partners is committed to providing industry leading education that is relevant, up-to-date and designed to meet your specific needs.

We offer qualifications in multiple disciplines, including key products in AXELOS' best practice portfolio, such as ITIL®, PRINCE2®, PRINCE2 Agile®, MSP®, MoP®, P3O® and P3M3®; APMG's AgilePM®, AgileBA®, AgilePgM™, Lean Six Sigma, Managing Benefits, Facilitation and Change Management; as well as the Scaled Agile Framework® (SAFe®); and Business Analysis programs from The Australian Chapter of the International Institute of Business Analysis™ (IIBA®), to name a few.
