

# Introduction to Agile Fundamentals

Free with every purchase this October

Our Introduction to Agile Fundamentals course will provide you with a clear understanding of how to use the Agile mindset and an awareness of the various methods or practices that could be used when you are delivering work using an Agile approach.

The course is self-paced and delivered 100% online in micro bursts (approx. 5-8 mins per module, 2 hours of learning) designed to educate teams working in product and project environments. Even seasoned professionals will enjoy the interactive learning experience from the convenience of their mobile device.

## When can I access my FREE microtraining?

Once payment has been received in full, logins to access microtraining modules will be sent out within 2 business days.

## How long do I have access for?

Access is available until midnight, 31st December 2021.

## What if I want to have access for longer?

If you wish to extend your access, please send an email to [info@pm-partners.com.au](mailto:info@pm-partners.com.au) and one of our Professional Development Consultants will assist you.

## Help! I'm having technical difficulties!
